

TOWN OF DANBURY

Hazard Mitigation Plan Hearing Minutes

December 17, 2025 @ 7pm

Hazard Mitigation Plan presented to the Board of Selectmen by Kyle Levesque – Emergency Management Director.

In attendance: Kyle Levesque, Jeremy Martin, Anna Hullinger

Jessica Hatch opened the hearing at 7:01pm

Director's Comments:

- Key points discussed-
 - Participation of Board of Selectmen and town departments
 - Survey responses (25)
 - concerns regarding drought, bridges, police and fire stations.
- Next step will be to send the plan to Homeland Security for review. They will review and determine if any changes are needed. It will then be forwarded to FEMA for final review (45 day turnaround). Once it is approved by FEMA the town will have another hearing to accept the plan.
- Generators for the Town Hall and Danbury Community Center.
- Discussion of the Master Plan and how the Planning Board's decisions intersect with hazard mitigation. Planning Board actions can influence potential hazards and community resilience.

Public Comments: **No comments**

Jessica Hatch made a motion to close the hearing for the Hazard Mitigation Plan @ 7:14pm, seconded by James Farmer.

Meeting minutes approved by the Board of Selectmen on 12/29/2025
